

Forming the Shepherding Team – Worksheet

We recommend using the 2 Timothy 2:2 standard, to look for faithful men, who are “apt to teach” (1 Tim. 3:2), and who show some evidence of concern for people’s spiritual lives (1 Peter 1:2). Watch on Sunday mornings as people interact. Take note during small group times and social times. Who is starting spiritual conversations, who is directing people’s thoughts to spiritual things? Who is showing hospitality to others? Who are the first ones to welcome visitors on Sunday mornings? Ask your wife and others you know to be spiritually minded who they observe shepherding others. As you pray, watch, and discern, write down the evidence you see. Finally, indicate whether you plan to invite them to join the team.
