

More Shepherding

Syllabus

OVERVIEW

School of the Shepherds 106: More Shepherding discusses practical attitudes and actions required of shepherds: people skills, a shepherd's heart, hospitality, conflict resolution, and effective meetings.

GOALS

In this course, you will:

- Learn how you can improve your shepherding by developing your people skills
- Learn about modeling Christlikeness as the foundation for shepherding
- Be challenged to love your flock by practicing biblical hospitality
- Explore God's principles for handling conflict within the eldership
- Learn how to make your elders' meetings more effective

For each lesson, complete the following:

- Watch or listen to the video or audio message.
- Complete the Review questions.
- Meet with your mentor or group to go through the Discussion questions, then mark them complete in the course.
- Complete the Optional Assignment questions (if available, and if desired).
