## for a day of building your effectiveness as a spiritual leader

***Your church, your ministry, your organization needs you to lead in a Christlike way!***

How can you influence people toward spiritual maturity and Christlike behavior? How can elders lead their churches in a distinctively spiritual way, so that people are actually growing in all aspects of their Christian life? What does this look like in practice? What do spiritual leaders actually do? These are the questions we will be addressing in this conference.
